The Paton-Churdan School Board, hereafter called the "Board" and the Paton-Churdan Education Association, hereafter called the PCEA or the Association, recognize that the aim of the public schools is to provide a quality education program for the youth of the district. Both parties recognize that to reach this goal, it will take joint responsibility of the two parties plus parents and community. The parties agree as follows:

**Article I
RECOGNITION**

1-1 The Board recognizes the Paton-Churdan Education Association as the exclusive and sole representative of all contracted certificated personnel employed by the Board, but excludes the superintendent of schools, principals, activities director, all non-certified personnel and teacher associates and aides.

1-2 The Association recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board through the negotiating agent or agents officially designated by the Board to act in its behalf.

**Article II
EFFECT OF AGREEMENT**

2-1 The parties mutually agree that the terms and conditions set forth in this agreement represent the full and complete understanding and commitment between the parties. None of these provisions, as agreed upon herein, will be subject to re-negotiation during the term of this contract except in the case of a unilateral change in a mandatory topic of bargaining by either party.

2-2 If any article, section, paragraph, clause or sentence of this agreement should be declared invalid or unconstitutional, such decisions shall not void the remaining articles, sections, paragraphs, clauses or sentences and they shall remain in full force and effect for the duration of this agreement.

**Article III
EMPLOYEE HOURS, LOAD, SCHOOL CALENDAR**

3-1 The teacher's work year will be 190 days and the workday will be an eight (8) hour day to be prescribed by the administration and board, however, the administration reserves the right to assign extra duties. The exceptions to the 8-hour day are as follows:

A. The teachers will be released by the principal for dental, doctor and driver's license appointments provided that teaching obligations have been fulfilled.

B. All teachers, except those regularly assigned bus duty, will be released five minutes after students are released on Fridays, days before holiday breaks, and vacations. Additionally, teachers will be released early on those days school is dismissed early due to adverse weather conditions.

3-2 Every teacher in grades K-12 will be granted a minimum of one planning period per day. The planning period will be a minimum of 35 consecutive minutes.

3-3 All faculty members must be available for one extended faculty meeting per week as called by the administration. These meetings may run one hour beyond or prior to the normal teaching days.

3-4 The dates for starting school and for starting extended vacations shall be the sole responsibility of the Board.

3-5 Every teacher agrees to accept any teaching assignment for which the teacher is legally qualified according to state certification by the Department of Education. This shall include temporary certification.

3-6 The basic duty day shall include a duty-free lunch of a minimum of 20 minutes.

3-7 All certified teachers whose employment is part time will be granted the rights and benefits in proportion to the benefits granted to full-time employees.

Article IV LEAVES

4-1 Sick Leave - Any time after an employee has reported for duty, sick leave will be granted to the employee of the school district at the following rate:

During the month of September each year, employees will receive a record of their accumulated sick leave from the Secretary of the Board. Sick leave may be accumulated up to and including a maximum of 120 days. A doctor's slip may be required for absences of three days or longer.

4-2 Bereavement Leave

A. Six (6) Day Leave: Up to six days of bereavement leave shall be allowed as necessary for each employee upon the death of the employee's spouse, child, parent, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law or grandchild.

4-3 Emergency Leave - Under unique circumstance, the superintendent or his designee may grant emergency leave, which may be deducted from sick leave. Such leave shall be granted at the superintendent's or his designee's discretion, and shall not form a precedent nor be subject to grievance.

4-4 Jury Duty - The time necessary to teachers called to serve on a petit, grand or Federal jury duty shall be granted by the district, with full pay. Any per diem fees or remuneration that the employee receives shall be signed over to the school district except that mileage, meal and housing shall remain the teachers.

The 48 hour period will be waived whenever an emergency makes an application impractical. Personal leave will normally not be granted immediately prior to or following an extended vacation. The number of requests on a given day and/or the availability of qualified substitutes shall be the only concern of the administration in allowing or not allowing personal leave. Employees will receive a stipend of \$100 for each day of unused personal leave.

- Employees employed during the 2014-15 school year will all be entitled to three (3) days.

4-7 Medical Disability Leave - Any employee who anticipates a state of disability such as, but not limited to, surgery, hospital confinement, medical treatment, childbirth, etc. may apply for a leave of absence based on said disability in accordance with the provisions hereinafter set forth in which instance such leave shall be charged to the sick leave account of said employee. In the event no balance remains in the employee's sick leave account, the remaining leave may be granted without pay. No anticipated disability shall be granted during the school year unless medically necessary.

A. This leave will commence at the time selected in consultation with the employee's physician after due consideration of the teacher's health, medical factors involved, and the ability of the teacher to perform his/her duties and any other factors which may affect the situation. 5-2 An attempt shall be made to resolve any grievance in an informal discussion between the grievant and his or her building principal. All grievances must be presented within five (5) working days of the performance of the grievable act.

5-3 The Association shall have the right to challenge any adjustment of an employee's complaint if such adjustment, in the opinion of the Association, is in violation of some specific provision of this agreement.

A. FIRST STEP-(FORMAL)

If a grievance is not resolved informally, the aggrieved employee shall file the grievance in writing (Appendix A) with the building principal within five (5) working days after the informal conference with the building principal. The written grievance shall state the nature of the grievance; shall note the specific clause or clauses of this agreement, which have been violated, misinterpreted, or misapplied; and shall state the remedy requested.

Within five (5) working days after the principal receives the written grievance, he/she shall communicate a decision, in writing, to the aggrieved employee and the superintendent.

B. SECOND STEP

In the event a grievance has not been satisfactorily resolved at the first step, the aggrieved may file an appeal with the superintendent of the principal's answer, in writing, within five (5) working days of the said principal's written decision. The superintendent shall file a written answer within five (5) working days of the receipt of such appeal with the employee, principal and the Board.

C. THIRD STEP

1. If the grievance is not resolved in step two, the grievant may file an appeal in writing with the Board of Education within five (5) working days after receiving the written decision in step two.
2. Within ten (10) working days after receiving a written appeal, the Board shall make a decision, in writing, on the grievance to the employee.

D. FOURTH STEP

If the grievance is not resolved satisfactorily in step three, the grievance may proceed to step four. Grievances which have been processed through the proceeding steps of this procedure and only such grievances shall be submitted to arbitration as provided below:

1. The grievant and or his or her representative may submit, in writing, a request to enter into such arbitration. The arbitration proceeding shall be conducted by an arbitrator to be selected by the two parties within ten (10) working days after said notice is given. If the two parties fail to reach agreement on an arbitrator within six (6) working days, the American Arbitration Association shall be requested to provide a panel of five arbitrators. This request shall be in the form of a written communication from the grievant or his or her representative, which shall serve as a joint request. Each of the two parties shall alternately strike one name at a time from the panel until one shall remain. The remaining name shall be the arbitrator.
2. The decision of the arbitrator regarding a grievance, on the contract under which the grievance was filed, shall be final and binding on both parties. Binding arbitration shall mean the hearing and determination of a case in controversy by a person chosen by the parties. Such binding arbitration shall be conducted under the American Arbitration Association, which shall act as the administrator of the proceedings. If a demand for arbitration is not filed within ten (10) working days of the date of third step reply then the grievance will be deemed settled on the basis of the third step answer.
3. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this agreement, but shall have power only to apply and interpret the provisions of this agreement to the settlement of issues and grievances arising hereunder.
4. Each party shall bear its own costs and expense of the arbitration proceedings including the fee of the arbitrator, which shall be shared equally by the employer and the grievant or his or her representative.

If such notice is given, the employee shall be permitted to move across lanes at the start of the second semester. All courses taken to qualify for advancement on the salary schedule must be approved in writing by the Superintendent prior to taking the courses to be eligible for advancement across the educational lanes. To be approved, courses must be graduate hours in the employee's subject area or part of a master's degree program in the employee's subject area.

6-6 The salary base will be used to determine the extra-duty pay.

6--7 Supplemental Pay - Employee participation in or contracted for extra-curricular activities/duties shall be compensated according to the supplemental pay schedule (Appendix C) attached and is made a part thereof. Mileage will not be paid for extra-curricular activity/duty assignments.

**ARTICLE VII

7-1 See Appendix E.

**Article VIII

8-1 The total costs of printing, binding and typing of this agreement shall be the District's.

**Article IX
INSURANCE**

9-1 The School will pay \$6,400 per year towards the premiums of the school's group health insurance plans for the years 2016-2017 and 2017-2018. Any difference between the \$6,400 and the actual cost for the employee's insurance may be applied towards the premium for the family health or taken as a monthly cash payment. Part-time employees will have an equal (proportionate to contract) amount paid for their premiums. The Association and the employees agree to cooperate with insurance company initiated cost containment measures. Employees who decline health coverage must sign a waiver assuring alternative coverage and provide proof of such coverage.

9-2 The District will participate in a FLEX spending plan to allow employees to voluntarily designate withholding on a pre-taxed basis to be used for child daycare, medical expenses, and health insurance premiums. Employees not fulfilling the full term of their contract will be responsible for any negative balance that occurred during employment.

9-3 The District will pay 100 percent of the premium for \$10,000 Term Life Policy, a Long Term Disability Policy, and a \$10,000 Accidental Death and Dismemberment Insurance Policy for each teacher.

**Article X
HEALTH AND SAFETY PROVISIONS**

10-1 The district will pay up to \$75.00 for required physicals.

10-2 The district will provide legislatively mandated protective devices, clothing, and equipment necessary to safely perform assigned duties.

**Article XI
STAFF REDUCTION**

11-1 The Board of Education and administration will continuously study enrollment trends and budget as they relate to specific programs and educational levels. Before the Board of Education reduces size of the staff, careful analysis of the educational programs will be made to insure the maintaining of a quality educational program. Every attempt to reduce staff by attrition will be made.

11-2 The following procedure shall determine those employees to be laid off/ terminated first:

- A. Lay-offs will be made within the following three (3) categories:
- (1) Pre-Kindergarten (PK)
 - (2) Elementary (K-5)
 - (3) Secondary (6-12)
- Exceptions to this procedure would be any special teacher whose position overlaps both categories. It is the intent of the parties that these categories be considered separate units.

B. Given the necessity to maintain the most competent and qualified staff available, the employer, in determining which employee(s) are to be reduced through lay-off procedures shall be accomplished in the numerical order listed:

- (1) Attrition
- (2) Employees with emergency or temporary certification
- (3) Unless needed to maintain a Dept. of Education required program, all teachers within a given category (11-2-A) will be subject to release in reverse order of the contract year in which they were hired.

C. In the event a tie exists in seniority, consideration of program continuity and qualifications and the ability to perform the work shall determine which employee shall be released. Qualifications and ability shall be determined by one or more of the following criteria:

- (1) Qualifications for other existing programs as determined by certification or training.
- (2) Training either formal or practical
- (3) Up to the previous three (3) years written evaluations.

11-3 Recall

A. A teacher whose employment is terminated pursuant to the provisions of this article shall have the right to notify the superintendent, in writing, at the time of his/her termination that he/she desires to be recalled. The affected personnel shall be recalled to any available position for which he/she may be certificated for a period of fifteen (15) months from the date of his/her termination. Teachers wishing to be recalled shall keep the district informed of their current addresses and telephone numbers. If an employee fails to notify the superintendent of a change of address or fails to advise the superintendent of the employee's desire and availability to return to work within ten (10) days of receipt of notice of recall, any recall rights shall terminate.

- B. All employees shall have recall rights in inverse order of termination.
- C. All benefits to which an employee was entitled at the time of his/her layoff will be restored to the employee upon return to active employment and the employee will be placed on the proper step of the salary schedule in effect at the time of his/her release.

Article XII Voluntary Transfer

12-1 Upon knowledge of vacancies, the superintendent shall deliver to the Association and post in each building, a list of vacancies that occur during the school year and for the following school year. Such notice shall be posted for at least five (5) days to allow an employee who has not previously filed a written statement of a desire for transfer to request a voluntary transfer to said vacancy.

12-2 An employee who desires a change in grade and/or subject assignment or who desires a transfer to the other building may file a written statement of such desire with the superintendent. Such statement shall include the grade and/or subject to which the employee desires to be assigned and the building to which the employee desires to be transferred, in order of preference. Requests for transfer (renewal) must be made each school year.

12-3 In the processing of requests for voluntary reassignment and/or transfer, the wishes of the individual employee shall be honored to the extent that the transfer does not prevent meeting the instructional or educational requirements of the district.

12-4 If more than one employee with appropriate certification, training and evaluation to meet the educational requirements of the school system has applied for the same position, and these considerations are substantially equal, the determination as to which employee shall be transferred shall be made on the basis of seniority.

12-5 Notice of the denial of a voluntary transfer request shall be delivered to the employee upon the making of the decision and shall include a specific statement of the reason(s) for the denial.
