

**PATON-CHURDAN COMMUNITY SCHOOL DISTRICT
POLICY MANUAL**

INTRODUCTION

This policy manual contains the policies of the board of directors of the Paton-Churdan Community School District. Policy development is a dynamic, ongoing process. New problems, issues, and needs give rise to the continuing need to develop new policies or to revise existing ones. The use of a loose-leaf manual is to make it easier to keep the policy manual up-to-date.

Each person holding a copy of this manual has a duty to keep the manual current as the central administration office distributes new and revised policies.

How To Use This Policy Manual

The Paton-Churdan Community School District operates according to policies established by its board of directors. The board develops policies after careful deliberation, and the school administration implements them through specific regulations and procedures. The board reviews and evaluates its policies and makes revisions as necessary.

The manual is organized according to a numeric codification system. There are nine major classifications bearing a numeric Series Code.

- 100 SCHOOL DISTRICT
- 200 BOARD OF DIRECTORS
- 300 ADMINISTRATION
- 400 EMPLOYEES
- 500 STUDENTS
- 600 EDUCATION PROGRAM
- 700 NONINSTRUCTIONAL OPERATIONS AND BUSINESS SERVICES
- 800 BUILDINGS AND SITES
- 900 SCHOOL DISTRICT-COMMUNITY RELATIONS

Sub classifications under each numeric Series are based on a logical sequence and coded by the sub classification numeric code.

The index pages that follow each tab present the policies included in that Series. These index pages serve as a table of contents for each Series.

**PATON-CHURDAN COMMUNITY SCHOOL DISTRICT
POLICY MANUAL**

INTRODUCTION

How To Find A Policy

There are two ways to find a policy. The first is to review the nine Series and determine which section the policy may be in. By turning to that Series, you can review the table of contents to determine whether the policy is included. If the policy is included, you can turn to the policy by finding the correct code number in the upper right hand corner of the policy.

The second way to find a policy is to look up the policy in the alphabetical index found under the tab entitled "Index" at the end of the manual. It will direct you to the Series and the policy code number. Again, you can turn to the policy by finding the correct code number in the upper right hand corner of the policy.

How To Read The Signs And Symbols

A variety of signs and symbols are used in concert with the numeric codification system. These are explained below:

- R This symbol following a policy code number indicates the statement is an administrative regulation rather than a board policy.

- E This symbol following a policy code number indicates the statement is an exhibit rather than a board policy.

- Legal This sign indicates the legal references. They tell the user where the user may
Reference find the statutes, case law, attorney general opinions, administrative rules that
 give authority to a policy

- Cross Many policies in the manual relate to other policies in the manual. Cross
Reference references
 are to assist the user in finding all of the related policies.

LONG-RANGE NEEDS ASSESSMENT

Long-range needs assessment enables the school district to analyze assessment data, get feedback from the community about its expectation of students and determine how well students are meeting student learning goals. The board will conduct ongoing and in-depth needs assessment, soliciting information from business, labor, industry, higher education and community members, regarding their expectations for adequate student preparation.

Opportunities for local feedback are provided through district surveys, community school improvement meetings, community-based curriculum study groups, advisory committees and parent teacher conferences.

It is the responsibility of the superintendent to ensure the school district community is informed of students' progress on state and locally determined indicators. The superintendent will report annually to the board about the means used to keep the community informed.

As a result of the board and committee's work, the board will determine major educational needs and rank them in priority order; develop long-range goals and plans to meet the educational needs; establish and implement short-range and intermediate-range plans to meet the goals and to attain the desired levels of student performance; evaluate progress toward meeting the goals and maintain a record of progress under the plan that includes reports of student performance and results of school improvement projects; and annually report the school district's progress made under the plan to the committee, community and Iowa Department of Education.

DISCRIMINATION AND HARASSMENT BASED ON SEX PROHIBITED

I. THE POLICY

In accordance with Title IX of the Education Amendments Act of 1972, the Paton-Churdan Community School District prohibits sex discrimination, including sexual harassment, against any individual participating in any education program or activity of the District. This prohibition on discrimination applies to students, employees, and applicants for employment. The Board authorizes the Superintendent to adopt procedures for any individual to report sex discrimination or sexual harassment, and for the investigation and resolution of such complaints.

Any individual with questions about the District's Title IX policy and procedures, or who would like to make a report or file a formal complaint of sex discrimination or sexual harassment may contact the District's designated Title Coordinator, **Annie Smith, 515-389-3111, asmith@paton-churdan.k12.ia.us**

The District will utilize this Policy and Procedure to respond to all claims of sex discrimination or sexual harassment as defined in Section II of this policy. If the District determines that a report or complaint does not allege conduct within the scope of Title IX, it may still proceed to investigate or respond to that report or complaint under any other applicable District policy or procedure.

II. DEFINITIONS

A. **Sexual harassment** means unwelcome behavior or conduct (physical, verbal, written, electronic) that is directed at someone because of that person's sex or gender, and that meets any of the following definitions:

1. **“Quid Pro Quo” Harassment.** A District employee explicitly or implicitly conditions the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct; **OR**
2. **Hostile Educational/Work Environment.** Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; **OR**
3. **Sexual assault.** An offense that meets the definition any one of the following offenses:
 - Rape: the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person without consent of the victim;
 - Fondling: the touching of the private body parts of another person for the purpose of sexual gratification without consent of the victim;
 - Incest: sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law; or
 - Statutory rape: sexual intercourse with a person who is under the statutory age of consent; **OR**

4. **Stalking:**

- Purposefully engaging in a course of conduct directed at a specific person ("target") that would cause a reasonable person to fear bodily injury to, or the death of, the target or a member of the target's immediate family;
- when the person ("stalker") knows or should know that the target will be placed in reasonable fear of bodily injury to, or the death of, the target or a member of the target's immediate family by the course of conduct; and
- the stalker's course of conduct induces fear in the target of bodily injury to, or the death of, the target or a member of the target's immediate family; **OR**

5. **Dating Violence:** violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on a consideration of:

- The length of the relationship.
 - The type of relationship.
 - The frequency of interaction between the persons involved in the relationship;
- OR**

6. **Domestic Violence:** any felony or misdemeanor crime of violence committed:

- By a current or former spouse or intimate partner of the victim;
- By a person with whom the victim shares a child in common;
- By a person who is cohabiting with, or has cohabited with, the victim as a spouse or intimate partner;
- By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the State of Iowa; or
- By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the State of Iowa.

B. Consent means knowing and voluntary agreement to engage in conduct or an activity with another individual. Silence or an absence of resistance does not imply consent. Past consent to engage in conduct or an activity does not imply future consent; consent can be revoked at any time. An individual who is incapacitated (e.g., when a person is asleep, unconsciousness, under the influence of drugs or alcohol, or disability) cannot give consent. Coercion, force, or the threat of either invalidates consent. Under no circumstances can a student give consent to engage in any sexual conduct or activity with an employee of the District.

C. Complainant means any person who alleges that they have been subjected to sexual harassment as defined by this Policy. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education program or activity.

D. Respondent means any person who has been reported to be the perpetrator of conduct that could constitute sexual harassment under this Policy, and over whom the District is able to exercise substantial control.

III. POLICY SCOPE

This Policy applies to all persons participating in the District's education program or activity, including students and employees and applicants for employment. Under Title IX, the District has jurisdiction over locations, events or circumstances over which it substantially controls the Respondent and the context in which the harassment occurs. The District's jurisdiction is limited to conduct against a person that occurs in the United States.

Any person may make a report of sexual harassment to the District's Title IX Coordinator.

IV. CONFIDENTIALITY

The District is committed to creating an environment that encourages individuals to come forward if they have experienced or witnessed sexual harassment. However, the District cannot promise absolute confidentiality to any party. District employees cannot promise confidentiality to any student who reports possible sexual harassment to them.

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination or sexual harassment, or has been identified as the perpetrator or respondent to any such report or complaint, or is a witness to any complaint or investigation, **except** as required to carry out the purposes of this Policy (including the conduct of any complaint resolution process), applicable law, or as permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g.

V. REPORTING SEXUAL MISCONDUCT, INCLUDING SEXUAL ASSAULT AND SEXUAL HARASSMENT

A. Employee Reporting Obligations

Any District employee who witnesses or becomes aware of sexual harassment has an affirmative obligation to report immediately to the District's Title IX Coordinator or to their building principal or immediate supervisor. Failure to do so may result in disciplinary action against the employee, up to and including termination of employment.

B. Reporting to Law Enforcement

Because sexual misconduct may constitute both a violation of District policy and criminal activity, individuals who have been subject to criminal sexual misconduct may wish to report their concerns to law enforcement. An individual may proceed under this Policy whether or not they elect to report to law enforcement.

C. Reporting to the District

Any individual who wishes to make a report or file a formal complaint of sexual harassment may contact the District's Title IX Coordinator **Annie Smith, 515-389-3111, asmith@paton-churdan.k12.ia.us** Any individual who is subject to, witnesses, or becomes aware of alleged sexual harassment may also submit an anonymous report at **Box 157 Churdan, Iowa 50050**.

Allegations that an employee of the District has engaged in sexual harassment toward a student must be immediately reported or referred to the District's designated Level 1 Investigator, and must be handled in accordance with 281 Iowa Administrative Code Chapter 102 (Procedures for Charging and Investigating Incidents of Abuse of Students by School Employees). The Level 1 Investigator shall be responsible for complying with the requirements of Chapter 102, including with respect to reporting the alleged conduct to law enforcement or other appropriate state agencies. The Level 1 Investigator shall work with the District's Title IX Coordinator to determine how to preserve or restore the student's access to the District's education program and activities.

D. Amnesty for Complainants and Participants in Investigations

The District will not pursue disciplinary action for improper possession or use of alcohol or other drugs against a student who reports in good faith an incident of sexual misconduct, or who participates in good faith in an investigation into an incident of sexual misconduct. The District may still notify the parent/guardian of the student(s) involved in such possession/use to promote the student safety and well-being or otherwise report such possession or use as required by law.

E. Retaliation Prohibited

Retaliation against a person who makes a report or complaint of sexual harassment, or who assists, or participates in any manner in an investigation or resolution of a sexual harassment report or complaint is strictly prohibited. Retaliation includes threats, coercion, discrimination, intimidation, reprisals, and/or adverse actions related to employment or education. Any individual who believes they have been retaliated against in violation of this Policy should immediately contact the District's Title IX Coordinator.

This Policy's antiretaliation protections do not apply to any individual who makes a materially false statement in bad faith in the course of any complaint, investigation, hearing, or other proceeding under this Policy. However, a determination that an individual made a materially false statement in bad faith must be supported by some evidence other than the determination of whether the Respondent violated this Policy alone. An individual who makes a materially false statement in bad faith may be subject to discipline up to and including suspension or expulsion of a student or termination of an employee's employment.

F. Time Frames for Reporting and Response

The District strongly encourages prompt reporting of complaints and information. While there is no time limit in invoking this Policy in responding to complaints of alleged sexual harassment, a complaint should be submitted as soon as possible after the event takes place in order to maximize the District's ability to respond promptly and equitably.

The District may not be able to fully investigate a formal complaint against an individual who is no longer affiliated with the District. Under those circumstances, the District will still consider whether it can offer supportive measures to the Complainant or proceed under another applicable law, policy, procedure, handbook provision, or rule.

In all cases, the District will conduct a prompt and equitable investigation of allegations of sexual misconduct. Generally the District will attempt to complete the investigation and make a determination regarding responsibility within forty-five (45) calendar days of receipt of a formal complaint. However, the District may alter or extend this time with notice to both parties. The time it takes to complete the resolution of a sexual harassment complaint may vary based on the complexity of the investigation and the severity and extent of the alleged conduct, as well as on whether there is a parallel criminal investigation, or if school breaks occur during the process.

VI. PROCESS FOR RESPONDING TO REPORTS OF SEXUAL HARASSMENT

A. Initial Meeting with the Complainant

Upon receipt of any report of sexual harassment occurring in the District's educational program or activity, the Title IX Coordinator or designee will schedule a meeting with the Complainant in order to provide the Complainant a general understanding of this Policy and to identify forms of supportive measures available to the Complainant with or without the filing of a formal complaint, and to explain the process for filing a formal complaint. The intake meeting may also involve a discussion of any specific supportive measures that may be appropriate.

At the initial intake meeting with the Complainant, the Title IX Coordinator or designee will seek to determine how the Complainant wishes to proceed. The Complainant may opt for: (1) informal resolution; (2) formal resolution; or (3) not proceeding. Supportive measures may still be offered whether or not the Complainant chooses any of these options.

If the Complainant wishes to proceed with either informal or formal resolution, a written document must be filed by the Complainant or signed by the Title IX coordinator alleging harassment against a respondent (the "formal complaint"). Where the Title IX Coordinator signs a formal complaint, the Title IX Coordinator is not the complainant or otherwise a party to a complaint proceeding under this Policy.

B. Informal Resolution

Upon filing of a formal complaint, a Complainant who does not wish to pursue formal resolution may request a less formal proceeding, known as “Informal Resolution.” Informal resolution is available to the parties any time prior to a determination of responsibility being issued.

Informal resolution is a voluntary process that requires the written consent of the Complainant and Respondent. The District will not require the parties to participate in the Informal Resolution process as a condition of enrollment, employment, or of any other right conferred by the District. The Title IX Coordinator will assess the severity of the alleged harassment and the potential risk for others in the District community to determine whether informal resolution may be appropriate. Informal Resolution will **never** be used to resolve allegations involving an employee sexually harassing a student.

The Title IX Coordinator will provide the parties with a written notice setting forth the allegations, the requirements of the informal resolution process set forth in this Policy, the right of any party to withdraw from the informal process and proceed with the formal grievance process at any time prior to agreeing to a resolution; and any consequences resulting from the participation in the informal process, including the records that will be maintained or could be shared by the District.

Upon receipt of written consent from the parties to participate in informal resolution, the Title IX Coordinator will consult separately with the Complainant and Respondent and gather additional relevant information as necessary. The Title IX Coordinator may also put in place any appropriate supportive measures to protect the educational and work environment of the parties.

The Title IX Coordinator will work with parties to determine a mutually acceptable resolution to the complaint. This resolution will be reduced to writing and signed by the Complainant and the Respondent. Once signed, the written resolution becomes final and neither party can initiate the formal grievance process for the allegations in the formal complaint. The written resolution is not subject to appeal.

Either party may, at any time prior to signing an informal resolution agreement, elect to end the informal resolution process and initiate formal resolution instead.

In order to promote honest, direct, communication, information disclosed during informal resolution will remain confidential, except where disclosure may be required by law or authorized in connection with duties on behalf of the District.

C. Formal Resolution

Upon submission of a formal complaint, Complainant may elect to pursue a formal resolution, which is described more specifically in this section.

1. Consolidation of Complaints

The District may consolidate formal complaints of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against another party, where the allegations arise out of the same facts or circumstances.

2. Required Notices

Notice of Investigation. If a Complainant elects to pursue a formal complaint, the Title IX Coordinator or designee will provide a written Notice of Investigation simultaneously to both parties notifying the parties of:

- the identities of the parties involved in the incident;
- the conduct alleged;
- the date and location of the incident;
- Respondent's entitlement to a presumption of innocence;
- The parties' rights to have an advisor of their choice at the party's expense, who may be an attorney;
- The parties' rights to review and comment on investigative evidence; and
- The effect of making materially false statements in bad faith during this process.

If, during the course of investigation, the District determines that additional allegations will be investigated as part of the pending complaint, the Title IX Coordinator or designee will provide written notice of the additional allegations to any identified Complainant(s) or Respondent(s).

Notice of Interviews, Hearings, or Other Meetings. The Title IX Coordinator shall provide to Complainant and Respondent a written notice of the date, time, location, participants, and purpose of any interview, hearing, or meeting with sufficient time for the party to prepare.

3. Dismissal

The District shall dismiss any formal complaint made under this Policy if at any time it determines that it lacks jurisdiction under Title IX because the conduct alleged in the formal complaint:

- Would not constitute sexual harassment as defined in Section II of this policy, even if proved,
- Did not occur in the District's education program or activity; or
- Did not occur against a person in the United States.

The District, in its sole discretion, may dismiss any formal complaint under this Policy if at any time:

- The Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the formal complaint or any allegations;
- The Respondent is no longer enrolled in or employed by the District; or
- Specific circumstances exist that prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations. Examples include, but are not limited to, a significant passage of time from the date of the allegation(s) in the complaint to the date the complaint is filed that makes investigation impracticable, or where the Complainant has stopped participating in the process.

Dismissal of a complaint from proceeding under this Policy does not preclude the District from offering supportive measures to any party or from proceeding under any other applicable policy, procedure, rule, or handbook provision applicable to students and/or employees of the District.

Upon dismissal of any formal complaint under this section, written notice of this dismissal and the reason(s) therefor will be provided simultaneously to Complainant and Respondent.

4. Investigation

The Title IX Coordinator shall designate an Investigator to conduct an investigation into any formal complaint. The Investigator must be appropriately trained in conducting Title IX investigations, unbiased, and have no conflict of interest in the present case. The Investigator serves as a neutral fact-finder, and shall interview both parties, relevant witnesses, and gather and review evidence relevant to the outcome of the complaint.

The burden of proof and the burden of gathering sufficient evidence to reach a determination of responsibility rests with the District and not with the parties. Both parties will have an equal opportunity to present witnesses and other evidence (both inculpatory and exculpatory) to the Investigator. Neither party will be restricted in their ability to discuss the allegations or to gather and present relevant evidence; provided, however, that such communications shall not constitute harassment or retaliation against any party otherwise violate applicable law, rule, or regulation.

The Investigator will evaluate all relevant evidence, both inculpatory and exculpatory, and will not make credibility determinations based solely on a person's status as complainant, respondent or witness.

The Investigator will only access, consider, disclose, or otherwise use a party's treatment records made or maintained by a health care provider, or other records protected under a legally recognized privilege, with that party's voluntary, written consent.

Prior to completion of the Investigative Report, the Investigator will provide each party with copies of any evidence obtained by the Investigator that is directly related to the allegations in the complaint. Both parties will have ten (10) calendar days to submit a written response to the evidence to the Investigator. By accepting receipt of this information, the parties and their representatives, if any, agree that the use or dissemination of evidence for any purpose other than

those directly related to the parties' participation in the Title IX grievance process is prohibited and may result in appropriate discipline in accordance with District policy.

5. Investigative Report

After conducting the investigation, the Investigator will complete an investigative report that summarizes all relevant evidence, including statements and interviews with the parties and any witnesses, and any documents, records, photographs, recordings, or other evidence obtained by the investigator.

The investigative report will be distributed simultaneously to both of the parties at least ten (10) calendar days prior to a Determination of Responsibility being made.

6. Determination of Responsibility

The Decision-Maker is responsible for determining whether the conduct alleged in the complaint constitutes a violation of this Policy and any other applicable District policies, procedures, handbook provisions, or rules. The Decision-Maker shall be The superintendent or his/her designee. The Decision-Maker shall not be the Title IX Coordinator or Investigator, and must be impartial and unbiased, have no conflict of interest in the particular case, and have training required by Title IX and this policy.

After receipt of the investigative report and prior to reaching a decision, each party shall be permitted to submit to the Decision-Maker relevant questions to be asked of the other party and/or any witnesses, including those challenging the credibility of the party or witness. The Decision-Maker shall review the questions with the party or witness to whom the questions are directed, but shall not ask any questions that are irrelevant or improperly inquire about the Complainant's sexual predisposition or past sexual conduct (other than where the incidents occurred between the Complainant and Respondent and are asked for purposes of demonstrating consent, where applicable). The Decision-Maker will provide a written explanation to the party of why any question was excluded. The Decision-Maker shall provide the responses of the party or witness in writing to both parties. The parties shall be provided with an opportunity for limited additional follow-up questioning.

If any party or witness does not cooperate with responding to these questions, the Decision-Maker will not rely on any statement of that party or witness in reaching a determination of responsibility. The Decision-maker cannot draw an inference about responsibility based solely on a party's or witness's refusal to answer questions.

7. Standard of Proof and Determination

The determination of whether or not a violation of this Policy occurred will be made on the preponderance of the evidence, or whether it is more likely than not that the Respondent violated this Policy.

8. Sanction

Sanctions and remedies will be determined on a case-by-case basis by the Decision-Maker, where authorized to do so. Where applicable federal or state law, Board policy, contract, handbook provision, or other rule gives authority for issuing of a particular sanction to a different District decision-making body (e.g., school board, IEP team) the Decision-Maker will recommend sanctions to that decision-making body or official, or the Board for further action.

Sanctions may include, but are not limited to a written warning, suspension or expulsion of a student, or suspension or termination of an employee's employment with the District. The Decision-Maker may impose or recommend any sanction that it finds to be fair and proportionate to the violation and in accordance with Board Policy.

Remedies may include, but are not limited to, offers of counseling, training, changes or modifications to class or work schedules or assignments, provision of additional supervision, and other actions as deemed appropriate under the circumstances present in the case. The Title IX Coordinator shall be responsible for implementing any proposed remedies.

9. Written Determination Regarding Responsibility

The Decision-Maker will issue a written determination regarding responsibility, which shall be determined by a preponderance of the evidence. The written determination will include:

- Identification of the allegations;
- A description of the procedural steps taken from the receipt of the formal complaint through the determination, including notifications to the parties, interviews, site visits, methods used to gather other evidence, and hearings held (if applicable);
- Findings of fact;
- Conclusions regarding the application of this Policy and any other relevant District policy, procedure, handbook provision, or rule to the facts;
- A statement of and rationale for the Decision-Maker(s) determination regarding responsibility for each allegation;
- A statement of and rationale for any disciplinary sanctions that will be imposed on Respondent, if applicable;
- A statement of and rationale for any remedies the District will provide to restore or preserve Complainant's access to the District's educational program or activity, if applicable; and
- A statement of the District's appeal policy and procedures.

The Decision-Maker will provide the written determination to the parties simultaneously. The written determination shall be final, subject to the parties' right to appeal in Section 10, below.

10. Appeals

Within five (5) calendar days of delivery of the written determination to them, either party may appeal the dismissal of a formal complaint, or the Decision-Maker's written determination and/or any sanction imposed by the Decision-Maker to the Title IX Coordinator or her/his designee. Such appeals will be in writing and will be delivered to The Title IX Coordinator or her/his designee, who will deliver the appeal to the Appeal Decision-Maker. The Appeal Decision-Maker or her/his designee will determine if the written determination will be stayed pending the outcome of the appellate decision. Appeals will be limited to any of the following bases:

- A procedural irregularity that affected the outcome of the matter;
- New evidence that was not reasonably available at the time the written determination was issued that could affect the outcome of the matter; or
- The Title IX Coordinator, Investigator(s), or Decision-Maker(s) had a conflict of interest or bias that affected the outcome of the matter.

The Title IX Coordinator or her/his designee will notify both parties in writing if an appeal is received alleging one of the bases for appeal above. Both parties will be given an opportunity to submit a written statement in support of, or challenging, the written determination. The parties' written statements must be submitted within five (5) calendar days of notice of the appeal.

Except as required to explain the basis of new information, an appeal will be limited to a review of the written record of the investigation, the written determination, and the parties' written statements on appeal.

The Appeal Decision-Maker or her/his designee may affirm, reverse, or modify the written determination and/or sanctions imposed, or may remand to the Investigator or Decision-Maker for further action. A written appeal decision will be issued simultaneously to the parties describing the result of the appeal and the rationale therefor. The written appeal decision of the Appeal Decision-Maker or her/his designee is the final decision of the District, and no further appeals are permitted under this Policy.

C. Complainant Does Not Wish to Pursue Resolution or Requests Confidentiality

If the Complainant does not wish to pursue formal or informal resolution and/or requests that his or her report remain confidential, the Title IX Coordinator or designee will inform the Complainant that the District's ability to respond to the alleged sexual harassment may be limited. The Title IX Coordinator or designee may weigh the Complainant's request against the following factors:

- The seriousness of the alleged sexual misconduct,
- Whether there have been other complainants of sexual misconduct against the same Respondent, and
- The Respondent's right to receive information about the allegations, including the name of the complainant.

The Title IX Coordinator will only initiate a formal complaint under these procedures against the wishes of the Complainant where required by federal or state law, regulation, or rule, or where doing so is not clearly unreasonable based on known circumstances, based on the potential impact to the District community if the allegations were true.

The Title IX Coordinator or designee will inform the Complainant if the District cannot ensure confidentiality. Even if the District cannot take disciplinary action against the Respondent because the Complainant insists on confidentiality or that the complaint not be resolved, the District reserves the authority to implement supportive measures or other appropriate actions to promote a safe learning environment for the complainant and/or the entire District community.

D. Advisors

Complainants and Respondents have equivalent rights to be accompanied at any stage of the process by an advisor of their choice, who may be a parent or guardian, union representative (where applicable), other support person, or an attorney at the party's sole expense. Advisors may not answer questions on behalf of any party or otherwise participate in any interview or meeting, other than to confer with the party they are supporting/representing.

E. Supportive Measures

The District may implement supportive measures to preserve or restore the Complainant's access to the District's education program or activity. Supportive measures will be individualized, provided at no cost to the parties, and are non-disciplinary in nature.

Supportive measures may include, but are not limited to:

- Counseling,
- Extension of deadlines or other course-related adjustments,
- Modifications of work or class schedules,
- Mutual restrictions on contact between the parties,
- Leaves of absence,
- Increased security and monitoring,
- Increased supervision and/or escort services, and/or
- Other similar measures.

The District may temporarily remove a student accused of violation this policy on an emergency basis, following an individualized safety and risk analysis that finds an immediate threat to the physical safety of any individual. Any student so removed will be provided with notice and an opportunity to challenge this action immediately following the removal, and any other rights conferred by law. Emergency removals must be consistent with other applicable laws. The District, in its sole discretion, may place an employee accused of violating this policy on administrative leave pending the outcome of the informal or formal complaint process.

VII. RESOURCES AND SERVICES FOR STUDENTS AND EMPLOYEES

There are resources available to individuals regardless of whether or not they choose to report a violation of this Policy to the District or local law enforcement. Any person may obtain information about services and supports offered to students and employees by contacting the District's Title IX Coordinator.

A. Community Resources

There are resources in the community where an individual may seek support outside of the District. Use of any of these services is solely at the discretion of the individual. The District does not make any representations regarding the effectiveness or appropriateness of any of these resources, and does not assume responsibility, financial or otherwise, for these resources.

B. External Reporting Resources

VIII. PREVENTION, TRAINING, AND POLICY COMMUNICATION

The District is committed to education, communication, and training of students and employees in order to prevent sexual harassment and to assure an appropriate response when incidents occur. The District will provide information to students and employees on:

- The definitions of sexual harassment;
- District procedures for responding to incidents of sexual harassment; and
- Employee obligation to report any sexual harassment of which the employee becomes aware.

The District will also ensure that individuals who serve as Title IX Coordinators, Title IX Investigators, Decision-Makers, Appeal Decision-Makers, and facilitators of the informal resolution process have adequate training as required by Title IX.

IX. RECORDKEEPING

The District will maintain the following records for seven years:

- Each sexual harassment investigation, including determinations, audio or video recordings, disciplinary sanctions, and any remedies provided to the Complainant;
- Any appeal and the result therefrom;
- Any informal resolution; and
- Materials used by the District to train Title IX Coordinators, investigators, decision-makers, and those who facilitate informal resolution under this Policy.

Additionally, the District will create and maintain for seven years:

- Any actions, including supportive measures, taken in response to a report or formal complaint of sexual harassment;
- Documentation of the basis for the District's conclusion that its response to any such report or complaint was not deliberately indifferent;
- Documentation that the District has taken measures designed to restore or preserve access to the District's educational program or activity;
- Where no supportive measures are provided to Complainant, documentation of why it was not clearly unreasonable to do so.

POWERS OF THE BOARD OF DIRECTORS

The board of the Paton-Churdan Community School District, acting on behalf of the school district, shall have jurisdiction over school matters within the territory of the school district.

The board is empowered to make policy for its own governance, for employees, for students and for school district facilities. The board is also empowered to enforce its policies. The board may, through its quasi-judicial power, conduct hearings and rule on issues and disputes confronting the school district.

RESPONSIBILITIES OF THE BOARD OF DIRECTORS

The board is authorized to govern the school district, which it oversees. As the governing board of the school district, the board has three duties to perform: legislative duty, executive duty and evaluative duty.

As a representative of the citizens of the school district community, the board is responsible for legislating policy for the school district. As a policy making body, the board has jurisdiction to enact policy with the force and effect of law for the management and operation of the school district.

It is the responsibility of the board, under the board's executive duty, to select its chief executive officer, the superintendent, to operate the school district on the board's behalf. The board delegates to the superintendent its authority to carry out board policy, to formulate and carry out rules and regulations and to handle the administrative details in a manner which supports and is consistent with board policy.

The board has a responsibility to review the education program's performance under its evaluative duty. The board regularly reviews the education program and ancillary services. The review includes a careful study and examination of the facts, conditions and circumstances surrounding the amount of funds received or expended and the education program's ability to achieve the board's educational philosophy for the school district.

QUALIFICATIONS

Serving on the board of directors is an honor and privilege. Its rewards are respect from the community, students, and employees and the satisfaction from knowing each board member contributed to the success of the children in the school district community. Only those who are willing to put forth the effort to care and to make a difference should consider running for a position on the board.

Individuals who are willing to serve on the board believe public education is important, support the democratic process, willingly devote time and energy to board work, respect educators and have the ability to examine the facts and make a decision. The board believes an individual considering a position on the school board should possess these characteristics.

Citizens wanting to run for a position on the board must be a citizen of the school district, an eligible elector of the district and free from a financial conflict of interest with the position.

In the event of an appointment or special election to fill a vacancy, the new board member shall take the oath of office within ten days of the appointment or election.

VACANCIES

A vacancy occurs when a board member resigns, forfeits or otherwise leaves the office. A vacancy also includes, but is not limited to, the following: failure to be properly elected, failure to qualify within the time fixed by law, failure to reside in the school district or director district, a court order declaring the seat vacant, conviction of a felony, three violations of the open meetings law, or conviction of a public offense in violation of the oath of office.

If a vacancy occurs prior to the expiration of a term of office, the vacancy shall be filled by board appointment within thirty days of the vacancy. At that time the appointed board member may run for a four year term, if one is available, or run for the remainder of the unexpired term.

If the board is unable to fill a vacancy by appointment within 30 days after the vacancy occurs, the board secretary shall call a special election to be held no sooner than 60 days and not later than 70 days after the vacancy occurred. A board member elected at the special election shall serve the remaining portion of the unexpired term.

BOARD OF DIRECTORS' CONFLICT OF INTEREST

Board members must be able to make decisions objectively. It is a conflict of interest for a board member to receive direct compensation from the school district, unless exempted in this policy, for anything other than reimbursement of actual and necessary expenses, including travel, incurred in the performance of official duties. A board member will not act as an agent for a school textbook or school supply company doing business with the school district during the board member's term of office. It will not be a conflict of interest for board members to receive compensation from the school district for contracts to purchase goods or services if the benefit to the board member does not exceed \$2,500 in a fiscal year or if the contracts are made by the board, upon competitive bid in writing, publicly invited and opened.

The conflict of interest provisions do not apply to a contract that is a bond, note or other obligation of a school corporation if the contract is not acquired directly from the school corporation, but is acquired in a transaction with a third party, who may or may not be the original underwriter, purchaser, or obligee of the contract, or to a contract in which a director has an interest solely by reason of employment if the contract was made by competitive bid, in writing, publicly invited and opened, or if the remuneration for employment will not be directly affected as a result of the contract and duties of employment do not involve any of the preparation or procurement of any part of the contract. The competitive bid section of the conflict of interest provision does not apply to a contract for professional services not customarily competitively bid.

It will also be a conflict of interest for a board member to engage in any outside employment or activity which is in conflict with the board member's official duties and responsibilities. In determining whether outside employment or activity of a board member creates a conflict of interest, situations in which an unacceptable conflict of interest is deemed to exist includes, but are not limited to, any of the following:

- (1) The outside employment or activity involves the use of the school district's time, facilities, equipment and supplies or the use of the school district badge, uniform, business card or other evidence of office to give the board member or member of the board member's immediate family an advantage or pecuniary benefit that is not available to other similarly situated members or classes of members of the general public. For purposes of this section, a person is not "similarly situated" merely by being related to a board member.
- (2) The outside employment or activity involves the receipt of, promise of, or acceptance of more or other consideration by the board member or a member of the board member's immediate family from anyone other than the state or the school district for the performance of any act that the board member would be required or expected to perform as part of the board member's regular duties or during the hours in which the board member performs service or work for the school district.
- (3) The outside employment or activity is subject to the official control, inspection, review, audit, or enforcement authority of the board member, during the performance of the board member's duties of office or employment.

If the outside employment or activity is employment or activity in (1) or (2) above, the board member must cease the employment of or activity. If the activity or employment falls under (3), then the board member must:

Approved: July, 2000 Reviewed: July 2021. Revised:

BOARD OF DIRECTORS' CONFLICT OF INTEREST

- Cease the outside employment or activity; or,
- Publicly disclose the existence of the conflict and refrain from taking any official action or performing any official duty that would detrimentally affect or create a benefit for the outside employment or activity. Official action or official duty includes, but is not limited to, participating in any vote, taking affirmative action to influence any vote, or providing any other official service or thing that is not available generally to members of the public in order to further the interests of the outside employment or activity.

It is the responsibility of each board member to be aware of an actual or potential conflict of interest. It is also the responsibility of each board member to take the action necessary to eliminate such a conflict of interest. Should a conflict of interest arise, a board member should not participate in any action relating to the issue from which the conflict arose.

CODE OF ETHICS

Board members' actions, verbal and nonverbal, reflect the attitude and the beliefs of the school district. Therefore, board members must conduct themselves professionally and in a manner fitting to their position.

Each board member shall follow the code of ethics stated in this policy.

AS A SCHOOL BOARD MEMBER:

1. I will listen.
2. I will respect the opinion of others.
3. I will recognize the integrity of my predecessors and associates and the merit of their work.
4. I will be motivated only by an earnest desire to serve my school district and the children of my school district community in the best possible way.
5. I will not use the school district or any part of the school district program for my own personal advantage or for the advantage of my friends or supporters.
6. I will vote for a closed session of the board if the situation requires it, but I will consider "star chamber" or "secret" sessions of board members unethical.
7. I will recognize that to promise in advance of a meeting how I will vote on any proposition, which is to be considered is to close my mind and agree not to think through other facts and points of view, which may be presented in the meeting.
8. I will expect, in board meetings, to spend more time on education programs and procedures than on business details.
9. I will recognize that authority rests with the board in legal session and not with individual members of the board, except as authorized by law.
10. I will make no disparaging remarks, in or out of the board meeting, about other members of the board or their opinions.
11. I will express my honest and most thoughtful opinions frankly in board meetings in an effort to have decisions made for the best interests of the children and the education program.
12. I will insist that the members of the board participate fully in board action and recommend that when special committees are appointed, they serve only in an investigative and advisory capacity.
13. I will abide by majority decisions of the board.
14. I will carefully consider petitions, resolutions and complaints and will act in the best interests of the school district.
15. I will not discuss the confidential business of the board in my home, on the street or in my office; the place for such discussion is the board meeting.
16. I will endeavor to keep informed on local, state and national educational developments of significance so I may become a better board member.

CODE OF ETHICS

IN MEETING MY RESPONSIBILITY TO MY SCHOOL DISTRICT COMMUNITY

1. I will consider myself a trustee of public education and will do my best to protect it, conserve it, and advance it, giving to the children of my school district community the educational facilities that are as complete and adequate as it is possible to provide.
2. I will consider it an important responsibility of the board to interpret the aims, methods and attitudes of the school district to the community.
3. I will earnestly try to interpret the needs and attitudes of the school district community and do my best to translate them into the education program of the school district.
4. I will attempt to procure adequate financial support for the school district.
5. I will represent the entire school district rather than individual electors, patrons or groups.
6. I will not regard the school district facilities as my own private property but as the property of the people.

IN MY RELATIONSHIP WITH SUPERINTENDENT AND EMPLOYEES

1. I will function, in meeting the legal responsibility that is mine, as a part of a legislative, policy-forming body, not as an administrative officer.
2. I will recognize that it is my responsibility, together with that of my fellow board members, to see the school district is properly run and not to run them myself.
3. I will expect the school district to be administered by the best-trained technical and professional people it is possible to procure within the financial resources of the school district.
4. I will recognize the superintendent as executive officer of the board.
5. I will work through the administrative employees of the board, not over or around them.
6. I will expect the superintendent to keep the board adequately informed through oral and written reports.
7. I will vote to employ employees only after the recommendation of the superintendent has been received.
8. I will insist that contracts be equally binding on teachers and the board.
9. I will give the superintendent power commensurate with the superintendent's responsibility and will not in any way interfere with, or seek to undermine, the superintendent's authority.
10. I will give the superintendent friendly counsel and advice.
11. I will present any personal criticism of employees to the superintendent.
12. I will refer complaints to the proper administrative officer.

CODE OF ETHICS

TO COOPERATE WITH OTHER SCHOOL BOARDS

1. I will not employ a superintendent, principal or teacher who is already under contract with another school district without first securing assurance from the proper authority that the person can be released from contract.
2. I will consider it unethical to pursue any procedure calculated to embarrass a neighboring board or its representatives.
3. I will not recommend an employee for a position in another school district unless I would employ the employee under similar circumstances.
4. I will answer all inquiries about the standing and ability of an employee to the best of my knowledge and judgment, with complete frankness.
5. I will associate myself with board members of other school districts for the purpose of discussing school district issues and cooperating in the improvement of the education program.

BOARD MEMBER LIABILITY

Board members shall not be held personally liable for actions taken in the performance of their duties and responsibilities vested in them by the laws of Iowa and the members of the school district community. In carrying out the duties and responsibilities of their office, board members shall act in good faith.

The school district shall defend, save harmless and indemnify board members against tort claims or demands, whether groundless or otherwise, arising out of an alleged act or omission occurring within the scope of their official duties, unless it constitutes a willful or wanton act or omission. Ad Hoc Committee Purpose and Function

The specific purpose of each ad hoc committee varies. Generally, the primary function of an ad hoc committee is to give specific advice and suggestions. The person making the request must state the person's name, address, purpose of the presentation, action desired and pertinent background information. Requests from the public may be added to the tentative agenda at the discretion of the superintendent after consultation with the board president. Requests received after the deadline may only be added to the agenda for good cause.

The tentative agenda and supporting documents shall be sent to the board members 3 days prior to the scheduled board meeting. These documents are the private property of the board member. Persons wishing to view the tentative agenda and supporting documents may do so at the central administration office.

The board shall take action only on the items listed on the tentative agenda posted with the public notice. Items added to the agenda may be discussed or taken under advisement by the board. If an added item is acted upon, the minutes of the board meeting shall state the reason justifying the immediate action.

It shall be the responsibility of the board president and superintendent to develop the agenda for each board meeting.

CONSENT AGENDAS

Very often the board must consider agenda items, which are non-controversial or similar in content. Such agenda items might include ministerial tasks such as, but not limited to, the approval of the agenda, approval of previous minutes, approval of bills, approval of reports, etc. These items might also include similar groups of decisions such as, but not limited to, approval of staff contracts, approval of maintenance details for the school buildings and grounds, open enrollment requests or approval of various schedules.

In order for a more efficient administration of board meetings, the board may elect to use a consent agenda for the passage of non-controversial items or items of a similar nature.

The superintendent in consultation with the board president and board secretary shall place items on the consent agenda. By using a consent agenda, the board has consented to the consideration of certain items as a group under one resolution. Items may be removed from the consent agenda at the request of a board member.

Nothing in this policy is to be construed as an attempt to avoid full compliance with laws dealing with open meetings or public notice of the agenda and meeting.

OPEN MEETINGS

A gathering of a majority of board members in which deliberation of an issue within the jurisdiction of the board takes place is a board meeting. A gathering for the purpose of social or ministerial action shall not constitute a board meeting unless a discussion of policy takes place. Meetings of the board shall be conducted in an open meeting unless, a closed session is authorized by law or the meeting is exempt from the open meetings law.

CLOSED SESSIONS

Generally, board meetings shall be open meetings, unless a closed session or exempt meeting is provided for by law. The board shall hold a closed session or exempt meeting in the situations stated below.

Exceptions to the Open Meetings Law

Closed sessions take place as part of an open meeting. The item for discussion in the closed session shall be listed as part of the tentative agenda on the public notice. The motion for a closed session, stating the purpose for the closed session, shall be made and seconded during the open meeting. A minimum of two-thirds of the board, or all of the board members present, must vote in favor of the motion on a roll call vote. Closed sessions shall be tape recorded and have detailed minutes kept by the board secretary. Final action on matters discussed in the closed session shall be taken in an open meeting.

The minutes and the tape recording will restate the motion made in the open meeting, the roll call vote, the members present, and the time the closed session began and ended. The tape recordings and the written minutes shall be kept for one year from the date of the meeting. Real estate related minutes and tapes will be made public after the real estate transaction is completed.

The detailed minutes and tape recording shall be sealed and shall not be public records open to public inspection. The minutes and tape recording shall only be opened upon court order in an action to enforce the requirements of the open meetings law. The board has complete discretion as to whom may be present at a closed session.

Reasons for the board entering into a closed session from an open meeting include, but are not limited to, the following:

1. To review or discuss records which are required or authorized by state or federal law to be kept confidential or to be kept confidential as a condition for the board's possession or receipt of federal funds.
2. To discuss strategy with legal counsel in matters presently in litigation, or where litigation is imminent, if disclosure would be likely to prejudice or disadvantage the board.

Approved April, 1995 Reviewed July 2021 Revised _____

3. To discuss whether to conduct a hearing for suspension or expulsion of a student, unless an open meeting is requested by the student or the parent of the student.
4. To evaluate the professional competency of an individual whose appointment, hiring, performance, or discharge is being considered when a closed session is necessary to prevent needless and irreparable injury to that individual's reputation and that individual requests a closed session.
5. To discuss the purchase of particular real estate, but only when premature disclosure could be reasonably expected to increase the price the board would have to pay for the property.

Exemptions to the Open Meetings Law

Board meetings at which a quorum is not present, or gatherings of the board for purely ministerial or social purposes when there is no discussion of policy or no intent to avoid the purposes of the open meetings law, are exempt from the open meetings law requirements. Since gatherings of this type are exempt from the open meetings requirements, they can be held without public notice, be separate from an open meeting, be held without taping the gathering or taking minutes, and be held without a vote or motion. The board may also hold an exempt session for the following:

1. negotiating sessions, strategy meetings of public employers or employee organizations, mediation and the deliberative process of arbitration;
2. to discuss strategy in matters relating to employment conditions of employees not covered by the collective bargaining law;
3. to conduct a private hearing relating to the recommended termination of a teacher's contract. However, the private hearing in the teacher's contract termination shall be recorded verbatim by a court reporter; and
4. to conduct a private hearing relating to the termination of a probationary administrator's contract or to review the proposed decision of the administrative law judge regarding the termination of an administrator's contract.

PUBLIC PARTICIPATION IN BOARD MEETINGS

The board recognizes the importance of citizen participation in school district matters. In order to assure citizens are heard and board meetings are conducted efficiently and in an organized manner, the board will set aside a specific time for public comment.

Public Comment During Board Meetings

Citizens wishing to address the board during public comment must notify the board secretary prior to the board meeting. The board president will recognize these individuals to make their comments at the appropriate time during public comment. Citizens wishing to present petitions to the board may also do so at this time. The board however, will only receive the petitions and not act upon them or their contents.

The board has the discretion to limit the amount of time set aside for public participation. Normally, speakers will be limited to 5 minutes with a total allotted time for public participation of 30 minutes. However, the board president may modify this time limit, if deemed appropriate or necessary. Public comment is a time set aside for community input, but the board will not discuss or take any action on any matter during public comment.

Public comment shall be limited to regular board meetings and will not be routinely held during special board meetings.

Petitions to Place a Topic on the Agenda

Individuals who wish for an item to be placed on the board agenda may submit a valid petition to the board. For a petition to be valid, it must be signed by at least 500 eligible electors of the district, or ten percent of the individuals who voted in the last school election, whichever number is lower.

Upon receiving a valid petition to the board to place a proposal on the next board agenda for public hearing, the board will place the proposal identified in the petition on the agenda of the next regular meeting, or a special meeting held within 30 days of receipt of the petition. The board will provide a sign-up sheet for all individuals who wish to speak on the proposal, and individuals will be called to speak in order of sign-up. The sign-up sheet will require each individual to list their legal name and mailing address. Each speaker will be limited to an amount of time established by the board president that is reasonable and necessary based on the number of speakers signed up. The same time limit will apply to all speakers on the proposal. Each individual will be limited to one opportunity to speak. The board maintains absolute discretion on whether or not to discuss or act on the public comments made on the proposal. If a petition is related to curriculum, the district maintains discretion to determine whether to stop teaching that curriculum until the board holds the public hearing to discuss the curriculum.

The board has a significant interest in maintaining the decorum of its meetings, and it is expected that members of the public and the board will address each other with civility. The orderly process of the board meeting will not be interfered with or disrupted by public comment. Only individuals recognized by the board president will be allowed to speak. Comments by others are out of order. If disruptive, the individual causing disruption may be asked to leave the board meeting. Defamatory comments may be subject to legal action.

PUBLIC COMPLAINTS

The board recognizes situations may arise in the operation of the school district which are of concern to parents and other members of the school district community.

The board firmly believes concerns should be resolved at the lowest organizational level by those individuals closest to the concern. Whenever a complaint or concern is brought to the attention of the board it will be referred to the administration to be resolved. Prior to board action however, the following should be completed:

- (a) Matters should first be addressed to the teacher or employee.
- (b) Unsettled matters from (a) above or problems and questions about individual attendance centers should be addressed to the employee's building principal.
- (c) Unsettled matters from (b) above or problems and questions concerning the school district should be directed to the superintendent.
- (d) If a matter cannot be settled satisfactorily by the superintendent, it may then be brought to the board for consideration. To bring a concern, the individual shall notify the board president or board secretary in writing, who may bring it to the attention of the entire board.

Parents, guardians and community members of the district who have concerns about the district or the board may refer to the student handbook for additional guidance from the Iowa Department of Education.

It is within the discretion of the board to address complaints from the members of the school district community, and the board will only consider whether to address complaints if they are in writing, signed, and the complainant has complied with this policy. The board is not obligated to address a complaint and may defer to the decision of the superintendent. If the board elects not to address a complaint, the decision of the superintendent shall be final. If the board does elect to address a complaint, its decision shall be final.

PUBLIC HEARINGS

Public hearings may be held on school district matters at the discretion of the board. Public notice of a public hearing shall be in the same manner as for a board meeting except that the notice shall be given at least ten days before the hearing is to be held unless it is impossible or impractical to do so.

At public hearings, citizens of the district who register at the door will be allowed to speak on the issue for which the public hearing is being held. Others may be allowed to speak at the board's discretion. Speakers are asked to keep their remarks as brief as possible. Prior to the beginning of the hearing, speakers and spectators will be apprised of the rules of order to be followed regarding time limitations, questions, remarks and rebuttals. In no event will a speaker be allowed to take the time of another speaker.

The board shall conduct public hearings in an orderly fashion. At the beginning of the hearing, statements, background materials and public hearing rules and procedures will be presented by the board president. The board president will recognize the speakers. A board member may ask questions of the speakers after receiving permission from the board president. Only those speakers recognized by the chair will be allowed to speak. Comments by others are out of order. Individuals who interfere with or interrupt speakers, the board or the proceedings shall be asked to leave.
